December 2025

“Preach the word; be prepared in season and out of season; correct, rebuke and encourage—with great patience and careful instruction. For the time will come when people will not put up with sound doctrine” (2 Timothy 4:2-3).

We may say that every year, from the second half of September, our program is getting thick. In spite of this, God’s firm message speaks to us: “Preach!” And it seems it is in season, because our habitual programs are awaited, this way perhaps many people have open ears for the gospel.

CHILDREN'S CHRISTMAS

21 December 2025, Sunday, 5 p.m.,

Venue: Bárdos Lajos Primary School, auditorium of the lower primary school

We welcomed children, parents, and relatives in the auditorium last year too, since the previous venue had proved small. An earlier play was performed this year because those who had already seen it are adults. With the help of this play we tell the message of Christmas, expecting fifty children to come.

PRISONERS' CHRISTMAS

24 December 2025, Baracska and Martonvásár

Between 8 and 12 in the morning we are in the prison with our prison-ministry brothers from Tordas. We prepare for the three services with music, songs, testimonies, and sermons. Altogether 300 inmates are expected to be present.

TEMPORARY HOME

As we wrote earlier, we use a pellet boiler to have heating and warm water because gas is very expensive. Last week the boiler filled the house with smoke. It turned out that the chimney clogged, its aluminum lining even melted, so soot blocked the way of the smoke. The smoke pipe of the ten-meter chimney has to be replaced with an iron pipe since aluminum is not proper for pellet boilers. (Unfortunately, experts ruined it when they lined the chimney.) We have already bought the new pipes. It will be hard work, taking several days to insert them into the chimney. Till it is done, we will use the gas boiler connected to the other chimney. This way the cost of heating and warm water will be doubled.

UKRAINE

Unfortunately, due to problems arising, this year we can no longer take relief to Sub-Carpathia, but we can transfer money to the kitchen that regularly helps people in need with meals in Berehove. In the middle of the many tasks of buying, packing, costume making, stage building, rehearsals, applying for permit, we very much need your prayers.

We Wish You a Peaceful Christmas and a New Year Full of God's Blessings!

Thank you for praying for us until now; we ask you to do it in the future, too, since we need it very much.

We thank you your financial support as well.
